Take your life in your own hands
Walk down the street looking over your shoulder
Who will you meet?

And it's a big crowd out tonight
(Look at the street lights)
Oh, It's a big crowd tonight
(Look at the street lights)
Oh, It's a big crowd out tonight

Look at the street lights, what a pretty sight

You say that you love me
You say that you don't
You try to get me to jump through your hoop
But I won't

And it's a big crowd out tonight
(Look at the street lights)
Oh, It's a big crowd tonight
(Look at the street lights)
Oh, It's a big crowd out tonight

Look at the street lights, what a pretty sight

I'd like to move city
I'd like to move town
Cos all you ignorant people, you're bringing me down

And it's a big crowd out tonight
(Look at the street lights)
Oh, It's a big crowd tonight
(Look at the street lights)
Oh, It's a big crowd out tonight

Take your life in your own hands
Walk down the street looking over your shoulder
Who will you meet?

And it's a big crowd out tonight
(Look at the street lights)
Oh, It's a big crowd tonight

(Look at the street lights)
Oh, It's a big crowd out tonight
(Look at the street lights)

Look at the street lights, what a pretty sight
Look at the street lights, what a pretty sight
Look at the street lights, what a pretty sight

Look at the street lights
(Look at the street lights)
Oh what a pretty sight
(Oh what a pretty sight)
Look at the street lights
(Look at the street lights)
Oh what a pretty sight
