R. Angels---I Need To Know

Come on baby, come on right now
I need to know boy, I need to know right now
Hep, hep, hep, hep
Oh na, na, ah, ah, na, na, na, na

Oh boy when you look at me. Am I ever in your
fantasies?
Do you ever find me on your mind, cuz I think of you all
the time (all the time)
Oh boy I'm so into you, there's nothing that I wouldn't
do
I'll give you what you please, just tell me baby what you
need

[Bridge]
Come on boy, I'm here for you
Just tell me what I have to do
Here's your chance, I know you wont regret it
A million to one if you come and get it
I'll be your pleasure all the time, just say the words that
you'll be mine
I know there's nothing I wouldn't do, just let me be with
you

[Chorus]
I need to know (I need)
If you love me too
If these same crazy feelings can come over you
I need to know what I can do to make you love me the
way I love you (I love you)

Oh na, na, na, na, na, na, na, na, yeah
Ah na, na, na, na, na, na, na, na, oh, boy

Oh, boy if you think I'm fast, you really ain't seen
nothing yet
but if you want nice and slow, don't hesitate to let me
know
Oh, boy what can I say, I'll be with you in anyway

(anyway baby)

You just need to say the word, I'll promise you I'll rock
your world

[Bridge]

[Chorus]

I need to know if you feel it to babe

I need to know if there's a chance with you

I need to know if I'm the one for you

Oh, baby, baby, I need to know

Na, na, na, na, na, na, na, na, yeah

Na, na, na, na, na, na, na, na

[Chorus]
