"The Destruction Of My Heart"

I look at the mirror and I ask my self
Why you can't love me?
I do anything, I gave everything
Just for you because
I really love you

The wounds of my heart can't be healed
Because of what you do but
I really love you

Go away, just let me be
I'm already broken
Can't you see?
I wish to be with you
But you don't want to be with me
I wish you would love me

I hope your happy now
Because you hurt me
This is how you killing me

The wounds of my heart can't be healed
Because of what you do but
I really love you

Go away, just let me be
I'm already broken
Can't you see?
I wish to be with you
But you don't want to be with me
I wish you would love me

Go away... Just let me be...
I'm already broken...
Can't you see?
I wish to be with you
But you don't want to be with me
I wish you would
LOVE ME!
LOVE ME!
LOVE ME!
