Funny how you think you know a man
But in time you will understand
Tell me it ain't true
What is real is not a waste ideal
And the hardest part
You lied from the start
Tell me it ain't true

Baby there's something I just gotta tell you

You've been talking 'bout things I don't wanna know
Makes me wonder how I ever fell in love with you
Tell me it ain't true

I should have seen
Seen it in your eyes
I should have known
You were hiding all those lies
Tell me it ain't true

Lies, lies, lies
You keep telling me
Lies, lies, lies
Lies, lies, lies, lies, lies
[x2]

So I threw all your things
All over her yard
All our photographs,
Broken records and guitars
Darling I'm afraid it dropped

Lies, lies, lies
You keep telling me
Lies, lies, lies
Lies, lies, lies, lies, lies
Lies, lies, lies
You keep telling me
Lies, lies, lies
Lies, lies, lies
You keep telling me

Lies, lies, lies
You keep telling me
Lies, lies, lies
You keep telling me
Lies
