Dream on, dream on
Guess it all sometimes just feels like a burden
Doesn't seem to get any better
We don't seem to get any further

We keep on, keep on
If it's just what you can bear
I'm your father, I'm your brother
I'm your sister, I'm your superman

Dream on, dream on
I'm your supermess, trying to serve
Wouldn't seem to be any better
If I couldn't be your only one

But keep on, keep on
I'm the sun, I'm the stars, I'm the moon
I'm the pain in your chest, I'm the reason you cry
I'm the good, I'm the bad, I'm your superman

(I'll be your)
Superman
(Just cry for me and I will be)
Your superman
(No one can tell me I can't be your)
Superman
I'm your superman, superman

Be strong, hold on
I could fly around the world fast enough
Turn the time back and save you a day
Make tomorrow and turn yesterday

So keep on, keep on
I'm the superman, with the superlove
I can stop the frame, but all above
I could save the world, but it's you that I love

Keep on, well keep on
I'm the sun, I'm the stars, I'm the moon
I'm the pain in your chest, I'm the reason you cry

I'm the good, I'm the bad, I'm your superman

(I'll be your)
Superman
(Just cry for me and I will be)
Your superman
(No one can tell me I can't be your)
Superman
I'm your superman, superman

(Baby wont you dream of me?)
(I'll be your)
Superman
(Just cry for me and I will be)
Your superman
(No one can tell me I can't be your)
Superman
I'm your superman, superman

(I'll be your)
Superman
(Just cry for me and I will be)
Your superman
I'm the good, I'm the bad
I'm your superman
I'm your superman, superman
I'm your superman
