I'll be home, I'll be home
When your life's in trouble
And you're all alone

When you're feeling down
And you need just a little sympathy
And there's no one else around
To keep you company

Remember, baby
You can always count on me

I'll be home, I'll be home
Honey, I'll be home

I'll be home, I'll be home
Wherever you may wander
Or wherever you may roam

When you come back and
I'll be waiting here for you
Cause no one else, no
No one else will ever love you
The way I do

Yeah, I'll be here to comfort you
And see you through

I'll be home, I'll be home
Honey, I'll be home

I'll be home, I'll be home
I'll be home
