To the ones walkin' the righteous path

[ VERSE 1: LMNO ]

Church and state separate  
Plenty of God's children, devil is the king of deception  
Looking at the paintings of a white and black Jesus  
Spirit says it's simply to deceive us  
If I was after sacrifice, need a scapegoat  
I would stop fightin' and cut my own throat  
Lord hold me in your bosom, Satan's on my track  
Help me lose him, I know you're on your way  
Whether it's 2 years, 20 years and so forth  
The point is he's comin', you're summoned to God's  
court  
There's no failure to repair once we leave here  
'Order, hear he,' no - you hear me  
You're not God, egotistical wig-wearin  
Mallet-slammin'... Oh, the verdict is in  
Free from sin, Baptism  
I see myself in the line-up, yes, that's him  
A man who ( ? ) is a man who's wise  
It's all how you work it, not a matter of size  
You don't love me anymore cause of what was said?  
You never loved me in the first place, see me tread  
In stormy waters, look, there's a rock ahead  
Make sure you say your prayers before you go to bed

[ CHORUS ]

Hey you over there  
Are you familiar with spiritual warfare?  
Or do you care?  
(I got a question) --> Rakim  
Or do you care?  
(I got a question)  
Or do you care?

[ VERSE 2: Key-Kool ]

I'm not asleep but I'm not fully awake  
Livin' my life in a dreamlike state  
I see where I need to be and I'm tryin' to get there  
But it feels like I'm runnin' in place

Runnin' a race against time is a waste  
A true mind doesn't have a face or physical shape  
But wait, it's hard to belay a manifest  
When my bones ache and I'm made of flesh  
I feel a pain in my chest from stress and self-inflicted  
wounds  
From the time we leave the womb we're consumed  
By the brainwashin' of a society  
Where consciousness is like sobriety a rarity  
I have a moment of clarity  
Now I refuse to live life as a parody of the truth  
The proof at the root is hidden beneath  
Layers of false satisfaction and deceit  
I fight to defeat the distractions  
Material attachments and worldly passions  
I'm askin' myself: am I egotistical and selfish  
Or truly nothing, selfless?

(I got a question)

(I got a question)
