"So respect the architect, as I begin to build"

[Bahamadia]

I'm mystical, don't be deceived by the visual
Visible preference is pure, patent it back to metaphors
Greetin em Illa-del-style wild
Analyze my memoirs, runnin on 8/4, poetic, me-ter
soarin way beyond
iambic pentameter, or juvenile flam
Unsyncopated soul piercin earlobes and egos
my vocals read these thoughts - am I hardcore?
To the grain

[Guru]

Lame game plain Jane MC's can't approach these
I shake chumps like fleas, I hold the keys
to drive you, guide you, provide you
with the real joints, ahem I clear my throat of phlegm
The architect, selecting the blueprints
to rid the game of nuisance
Sucker reducin with the fusion
Rhymes solid like cement in my musical solution
Stackin concrete flows, look out below

"So respect the architect"
