Le cinema today is in a crisis,  
directors are so existentialistes,  
the movies are not worth their entrance prices  
if no one sings a love song when he's kissed.

Love cannot be loved without "le singing",  
A string, a clarinet, a saxophone.  
Take a lesson from this old parisienne  
and the finest entertainment she has known:  
Folies Bergère.

What a showing of color, costume and dancing!  
Not a moment in life could be more entrancing  
than an evening you spend aux Folies Bergère.

Folies Bergère,  
not a soul in the world could be in despair  
When he is glancing at the fabulous stage  
des Folies Bergère.

Folies Bergère  
La musique, la danse, le son, la lumière!  
Les petites jolies siens des belles bouquetières,  
Sur la belle passerelle des Folies Bergère,  
Pas de mystères, le spectacle est  
tout a fait decouvert.  
"Et pas trop cher"  
Viens ce soir avec moi  
aux Folies Bergère.

Folies Bergère,  
the music, the lights and the laughter,  
the answer you are after  
each night at the Folies Bergère,  
Folies Bergère.

By the heavens above, you will swear  
there's nothing rarer!

Than the Folies Bergère,  
Folies Bergère,

the stage overflowing and giving  
a misucal reason for living  
each night at the Folies BergÃ¨re,  
Folies BergÃ¨re,

To your modern ideas,  
I compare one derriÃ¨re.

At the Folies BergÃ¨re!  
The answer that you are after,  
the music, the lights and the laughter  
of the Folies BergÃ¨re!
