"Take It All"

You want my love,
take it all.
You want to watch it all come off,
take it all.

Come on now,
show me how
you can take it all.

You want my glove,
are you enthralled?
You want to see it slip away
and watch it fall?

Oh, we know it's your show
so take it all.

You want the movement
to see what the hips can do.
Come watch the slick girl,
see how the pasties twirl
to make your bells all ring
fulfilling everything you ever wanted.

So go ahead,
take it all.
You want my soul,
take it all.

It's time to leave,
if I'm to live
because I have no more,
there's nothing left to give.

I watch you rise,
I watch you fall
while I am standing with my back
against the wall.

Now it's your turn to finally learn,
you had the world,

you had your fling,
you wanted more than everything,
you got your wish,
you got your prize.

Now take it right between your thighs,
you grabbed for everything, my friend,
but don't you see that in the end
there will be nothing left of me?
