Yeah, motherfuckers

this goes out to all my brothers and sisters:

Chorus:
MÄ¹/₄ntefering!
This is finnish
but not the end

Chorus:

Helsinki is hell
hell is not Heaven
If you want to survive
do not drink and drive

Feel like a streetshark
Drive like an old fart
open your brain, manlife is no toy boy
Drunken driverseldem survivor
Alarm is ringin'
hear me singin'
You missed the red light
you missed the red light
Stop!
There's a message in a bottle:

Ratiriti ralla
mistÄ tuli halla
Tuolta pohjan tunturila
Lapin lasten laitumilta
Ratiriti ralla
sieltÄ tuli halla
this is finish
but not the end

Chorus:
MÄ¹/₄ntefering!

Chorus:

Eyes like a pink punk
smell like a drunk skunk
Speedy like a batman
suck like a fat man
just say no take it slow
Alarm is ringin'
hear me singin'
you missed the red light
burning a brautkleid
Fire!
There's a message in the bottle:

ratiriti ralla...

Chorus:
Verhaugen!

Chorus:

Hey kids,
listen to this message in the bottle
the only bottle is you
if you wana ride you can drink but light
just take a break
cause death is no fake
too fast
is fast too late

Ratiriti ralla...

Chorus:
MÃ¼ntefering!

Chorus:

fade out:
...ich bin ein Bitburger...
...das Lied, das ist ein Knaller...
