Trevor Rabin/BBob Ezrin)

Are you waiting for your freedom

Or a love you just don't know?

I can see you through my window

Did you know your feelings show?

Are you looking towards the border?

Hold out for something new

Does the white, bright, right and degradation

Wear you down the way we want it to

Calling on you for confirmation

In a way that we feel is good for you

CHORUS

Eyes of love look!

Down on me

When you gonna see

Eyes of love send down the key

Will you deliver me

Are you searching for an answer?

Are you questioning it all?

I can reach you

But I can't feel you

Are you living in surrender

Or just waiting for a call?

Does the white, bright, right and degradation

Wear you down the way we want it to

We will control the information

In a way that we feel is good for you

CHORUS
