Ooh maw maw. Ooh maw

What you gonna do when you fall

In love boy?

How you gonna pay for the dowry?

Where you gonna live when you tie the knot?

Ooh, what they done to you

Ooh maw maw. Ooh maw

What you gonna do when you bring baby?

I guess you'll have to give it to your lover's mother

Look up! You're head's down

CHORUS

Your hear will bring

Your heart will bring you sorrow

Your heart will bring

Your heart will bring you sorrow

Your heart! Your heart!

Ooh maw maw. Ooh maw

Ooh maw maw. Ooh maw

How you gonna send your money back home

When the strikers here won't leave you alone?

When do you dream of making love to your women

When the time on your hands don't belong to you?

Well love is something that you shouldn'T do

When the spoils of life aren't meant for you

Look up! Your head's down

CHORUS
