Morning Sun (Mix)

Morning rays at last have come  
I lie awake to see the rising sun  
Your betrayal has set me free  
I've walked on though barely found my way  
The river of broken dreams  
Shines in the rays of the sun

Cry the river black  
I can see you clearly  
Like the kiss of nighttime  
In ages of the past  
Cry the river black

Moonlight on the water  
Sunlight like your tears  
Ooh and dreams forgotten  
Washed beside your fears

Hale me no god  
Heaven here on earth

Heaven sent the promised man  
From high above will he stand for you  
The emptiness is killing me  
I have begged and I have lost my will  
An angel with broken wings  
Hales the rays of the sun

Cry the river black  
I can see you clearly  
Like the kiss of nighttime  
In ages of the past  
Cry the river black

Moonlight on the water  
Sunlight like your tears  
Ooh and dreams forgotten  
Washed beside your fears

Hale me no god

Heaven here on earth

Moonlight on the water  
Sunlight like your tears  
Ooh and dreams forgotten  
Washed beside your fears

Hale me no god  
Heaven here on earth
