Bring out the wicked  
To burn in the gallows  
Sacred religion  
Lost in the shadows  
That cast in the night  
Unanswered questions  
Obscured by the light  
Feelings of evil  
Pierced from within

Resurrection  
Of the slaughtered  
Torn down  
And made to submit  
Persecution of the wicked  
Takes their mind and  
Conquers the soul  
Takes their mind and  
Conquers the soul

Penetration by the ones who-  
Subside those who conquer  
Generations breeding  
Hostile anger  
Spreads through the land  
Like a cancer  
And eats away at the core

Eternal damnation  
Relinquished power  
My eyes have seen the madness  
Through shadows  
Now they're breeding - Blind!

Bring out the murdering ones  
Decision to execute  
Thrown into eternal decay  
Penetration by the ones who-  
Subside those who conquer  
Generations breeding  
Hostile anger  
Spreads through the land

Like a cancer  
And eats away at the core
