Yes we are NINTENDO!

[Mario] We are the rulers of the gaming universe
[Mario] Nothing can ever stop us
[Yoshi] What you've heard about us, it's probably true
[Yoshi] We're an indestructible force
[Peach/Daisy] All over the globe from Japan to Europe
[Peach/Daisy] You can never escape us
[Diddy/Dixie] So just remember when the industry goes
down
[Diddy/Dixie] We will still be up on top!

[Luigi/DK] And I knooooow, it's hard being at the
bottom
[Luigi/DK] Cause trust meeeeeeee, that's where we all
start
[Rosalina/Waluigi] Whenever you're down
[Toad/Toadette] Whenever you're down
[Rosalina/Waluigi] Just pop our game in
[Toad/Toadette] Just pop our game in
[Pauline/Wario] And have a blast playing us!

Yes we are Nintendo
A force to be reckoned with
[Toadette/Dixie] Trust us when we say we're
unstoppable
[Toadette/Dixie] If you don't believe us, we'll show you
how!
Let's go now
Yes we are Nintendo
Spreading out to other countries
[Pauline/Wario] And maybe in the future you'll support
us too~
[All] We are always one step ahead!
