Well I remember the times you pushed me down on the  
floor  
Spreading it around like a cheap little whore  
But now you've finished with your fancy man  
A skinny little runt from Birmingham

I want vengeance and I want it now  
I want vengeance, gonna get it somehow  
I'm gonna hit him, I'm gonna kill him  
I'm gonna really make him pay for what he's done  
I'm gonna hit him, I'm gonna kill him  
The guy that spoiled my fun

Well I was crying  
But now I've stopped  
And you were lying  
The penny's dropped

So shut your mouth and lay on the bed  
And when I've finished with you, I'm gonna break his  
head  
I'm gonna hit him, I'm gonna kill him  
I'm gonna really make him pay for what he's done  
I'm gonna hit him, I'm gonna kill him  
The guy that spoiled my fun

Well I had it, my baby, last night with you  
You pushed me too far and now we're through  
You're running to the car and you think you're cute  
But you're the kind of bird, baby, I'd shoot

I want vengeance and I want it now  
I want vengeance, gonna get it somehow  
I'm gonna hit him, I'm gonna kill him  
I'm gonna really make him pay for what he's done  
I'm gonna hit him, I'm gonna kill him  
The guy that spoiled my fun

Well I was crying  
But now I've stopped  
And you were lying

The penny's dropped

So shut your mouth and lay on the bed  
And when I've finished with you, I'm gonna break his  
head  
I'm gonna hit him, I'm gonna kill him  
I'm gonna really make him pay for what he's done  
I'm gonna hit him, I'm gonna kill him  
The guy that spoiled my fun  
The guy that spoiled my fun

I want vengeance and I want it now  
I want vengeance, gonna get it somehow  
I want vengeance and I want it now  
I want vengeance, gonna get it somehow  
I want vengeance and I want it now  
I want vengeance and I want it now  
I want vengeance and I want it now  
I want vengeance and I want it  
I want it now!
