I'm just a gigolo  
And everywhere I go  
People know the part I'm playing  
Pay for ev'ry dance  
Selling each romance  
Oh what they're sayin'

And there will come a day  
When youth will pass away  
What will they say about me  
When the end comes I know  
They'll say just a gigollo  
Life goes on without me

I'm just a gigollo  
And everywhere I go  
People know the part I'm playing  
Pay for ev'ry dance  
Selling each romance  
Oh what they're sayin'

And there will come a day  
When youth will pass away  
Well well well well well  
What will they say about me  
When the end comes I know  
They'll say just a gigollo  
Life goes on without me

Cause I ain't got nobody  
Well it's - uh - nobody cares for me  
There's nobody cares for me  
Cause I'm so sad and lonely  
Sad and lonely, sad and lonely  
Won't some sweet mamma come take a chance with  
me  
Cause I ain't so bad

And I'll sing her sweet love songs  
All of the time  
Hey, she'll only be,  
Only be

The one and only one for me

Cause I ain't got nobody  
And it's - uh - nobody cares for me  
There's nobody cares for me  
Nobody cares for me  
There's nobody cares for me  
Nobody cares for me  
There's nobody cares for me

I'm just a gigollo  
And everywhere I go  
People know the part I'm playing  
Pay for ev'ry dance  
Selling each romance  
Oh what they're sayin'

And there will come a day  
When youth will pass away  
Well well well well well  
What will they say about me  
When the end comes I know  
They'll say just a gigollo  
Life goes on without me

Cause I ain't got nobody  
And it's - uh - nobody cares for me  
There's nobody cares for me  
Cause I'm so sad and lonely  
Won't some sweet mamma  
Come and take a chance with me  
Cause I ain't so bad

Hey

And I'll sing her sweet love songs  
All of the time  
Hey  
She'll only be,  
Only be  
Sugar  
Honey  
Darling  
Mamma

I  
Ain't  
Got  
No  
Body

Hey

And it's - uh - nobody (nobody)  
No nobody (nobody)  
No one (no one)  
No no no one (no one)  
Loop de loop (Loop de loop)  
Sugar sugar (sugar sugar)  
Godess godess (godess godess)  
Girly girly (girly girly)

Nobody (nobody)  
Oh yeah (oh yeah)  
Nobody (nobody)  
No no one (no one)  
(fade out)
