I'm just a gigolo and everywhere I go
People know the part, I'm playing
Paid for every dance, selling each romance
Oh what their saying

And there will come a day and youth will pass away
What will they say about me
When the end comes I know
They'll say just a gigolo, life goes on without me

I'm just a gigolo, everywhere I go
People know the part, I'm playing
Paid for every dance, selling each romance
Oh, what their saying

And there will come a day and youth will pass away
What will they say about me
When the end comes I know
They'll say just a gigolo, life goes on without me
