Rock and roll is back again,  
It's still alive, but everybody calls it boogie.  
[calls it boogie]

Rock and roll is back again,  
A different groove but now they're rockin' in the disco.  
[in the disco]

They're gonna rock [they're gonna go]  
They're gonna roll [hey hey]  
Well, if you find [where the discos go]  
You lose control, '  
'cause now we got that rockin' beat it's in our soul  
ooooowwww

Rock and roll is back again,  
[rock and roll is back]  
Get on the highway, party right across the big show  
[y'all too, get down]

Rock and roll is back again  
[rock and roll is back]

There is the sure list, that's the way to beat affliction  
[come on yeah]

Up on your feet [up on your feet]  
Rock on your heels [rock on your heels]  
You gotta get down [you feel it now]  
Just how you feel [how does it feel?]  
You get that boogie woogie rhythm in your soul  
ooooowwww

Rock and roll is back again  
It says a message, listen to your body answer  
[you got to check it out]

Rock and roll is back again  
It's in the music, everybody is a dancer [party, get  
down]  
No holdin' back [no holdin' back]  
Get in the flow [get in the flow]

'cause it's a fact ['cause it's a fact]  
That rock and roll [that rock and roll]

Will get you hot, will get you shot, will make us free  
oooowwww

Rock and roll is around the world, get on the floor  
'cause this time we're gonna rock together [we're  
gonna get down]  
Rock and roll has changed the world, it's got the power  
Rock and roll will last forever [it's gonna last]

They call it rock [they called it rock]  
They call it roll [they called it roll]  
by any name [by any name]  
It's still the same [it's still the same]  
It's in the union, 'cause tonight we'll shake the change  
oooowwww

Rock and roll is here to stay, it's in the guitar  
And we'll get you off the drummer  
Rock and roll is here today  
It has the season, all of which is spring or summer  
I'll kill the sun [I'll kill the sun]  
I'll call the moon [I'll call the moon]  
Give me some spring [give me some spring]  
I'll need some room [I'll need some room, hey]  
I feel the change, I can't explain, it's coming soon  
oooowwww

Rock and roll is back again [back and alive again],  
It's still alive, but everybody calls it boogie [everybody]  
Rock and roll is back again [don't you believe that  
boogie]  
Rock and roll is back again  
A different groove but now they're rockin' in the disco  
[everybody]  
[in the disco]

We called it rock [we called it rock]  
We called it roll [we called it roll]  
We think it's hot [we think it's hot]  
We lose control [we lose control]  
That's what we got, this rockin' feelin' in our soul

Rock and roll is back again, [rock and roll is back  
again, yeah]  
Rock and roll is back again [rock 'n' roll is back]  
Rock and roll is back again [oh]
