Wake up kids

We've got the dreamers disease

Age fourteen

we got you down on your knees

So polite

you're busy still saying please

Frenemies

who when you're down ain't your friend

Every night

we smash their mercedes-benz

First we run

and then we laugh till we cry

But when the night is falling

and you cannot find the light

If you feel your dream is dying

Hold tight

You've got the music in you

Don't let go

You've got the music in you

One dance left

This world is gonna pull through

Don't give up

You've got a reason to live

Can't forget you only get what you give

Four a.m. we ran a miracle mile

were flat broke but hey we do it in style

The bad rich

God's flying in for your trial

(chorus)

This whole damn world can fall apart

You'll be ok follow your heart

You're in harms way I'm right behind

Now say youre mine

(chorus)

Fly high

What's real can't die

You only get what you give

Just dont be afraid to leave

Health insurance rip off lying fda big bankers buying

Fake computer crashes dining

Cloning while they're multiplying

Fashion shoots

with Beck and Hanson

Courtney Love and Marilyn Manson

You're all fakes

Run to your mansions

Come around

We'll kick your ass in

Don't let go

One dance left
