Two months of fun  
Two years of pain  
Add it up  
And get a life os rain  
Need to scream  
But too ashamed  
It's gonna rein It's gonna rein  
You wanna go you wanna stay you wanna  
You really blew my world  
I wanna live and there's only one way  
I don't wanna die anymore  
I want to live it up  
I don't want this high anymore  
But i can't give it up  
I won't live a lie anymore  
I need to give you up  
Won't you save me  
Two months of sun  
a life of rain  
Add it up  
I'm on my own again  
Need to scream  
I'm so filled with rage  
It's gonna rain It's gonna rain  
You wanna go you wanna stay you wanna  
You really screwed my world  
I gotta live but you stand in the way  
I'm pulling out now "UHH"  
I don't wanna die anymore  
I want to live it up  
I don't want this high anymore  
But i can't give it up  
I won't live a lie anymore  
I need to give you up  
And "OH OH BABY" did you think that i was strong?  
Well "OH OH HONEY" can't ya see that you were wrong  
"OH OH BABY" did you think that i was strong
