90 miles outside chicago  
Can't stop driving  
I don't know why  
So many questions  
I need an answer  
Two years later you're still on my mind  
Whatever happened to Emelia Earheart  
Who holds the stars up in the sky  
Is true love just once in a lifetime  
Did the captain of the titanic cry  
Oh...Someday we'll know  
If love can move a mountain  
Someday we'll know  
Why the sky is blue  
Someday we'll know  
Why I wasn't meant for you  
Does anybody know the way to Atlantis  
What the wind says when she cries  
I'm speeding by the place that I met you  
For the 97th time tonight  
Someday we'll know  
If love can move a mountain  
Someday we'll know  
Why the sky is blue  
Someday we'll know  
Why I wasn't meant for you  
Someday we'll know  
Why Samson loved Delilah  
One day I'll go  
Dancing on the moon  
Someday you'll know  
That I was the one for you  
I want to take you to the end of the rainbow  
Watch the stars crash in the sea  
If I could ask god just one question  
Why aren't you here with me tonight  
Someday we'll know  
If love can move a mountain  
Someday we'll know  
Why the sky is blue  
Someday we'll know

Why I wasn't meant for you  
yeah yeah yeah yeah  
Someday we'll know  
Why Samson loved Delilah  
One day I'll go  
Dancing on the moon  
Someday you'll know  
That I was the one for you
