Wake up kids

We've got the dreamers disease

Age fourteen

They got you down on your knees

So polite

We're busy still saying please

Frienemies

Who when you're down ain't your friend

Every night

We smash their mercedes benz

First we run

And then we laugh 'till we cry

But when the night is falling

And you cannot find the light

you feel your dreams are dying

Hold tight

You've got the music in you

Don't let go

You've got the music in you

One dance left

This world is gonna pull through

Don't give up

You've got a reason to live

Can't forget we only get what we give

[I'm comin' home baby]

[You're tops, give it to me now]

Four a.m. we ran a miracle mile

We're flat broke

But hey we do it in style

The bad rich

God's flying in for your trial

But when the night is falling

And you cannot find a friend

You feel your tree is breaking

Just bend

You've got the music in you

Don't let go

You've got the music in you

One dance left

This world is gonna pull through

Don't give up

You've got a reason to live

Can't forget

We only get what we give

This whole damn world can fall apart

You'll be ok follow your heart

You're in harms way I'm right behind

Now say you're mine

You've got the music in you

Don't let go

You've got the music in you

One dance left

This world is gonna pull through

Don't give up

You've got a reason to live

Can't forget

We only get what we give

Don't let go

I feel the music in you

Fly high

What's real can't die

We only get what we give

You're gonna get what you give

Just dont be afraid to live

Health insurance rip off lying FDA big bankers buying

Fake computer crashes dining

Cloning while they're multiplying

Fashion shoots with Beck and Hanson

courtney love and marilyn manson

You're all fakes

Run to your mansions

Come around

We'll kick your ass in
