Nescio

Nescio

Questo paradiso

Nescio

Nella bocca del luppo

Nescio

Lo straniero Å morto

Nescio

Questo paradiso

I jumped off a bridge

And went swimming for hours

And nobody nobody's looking

I came to a hotel with

Double rooms and showers

And nobody nobody's knocking

The phone rings on a nightstand

Somebody whispers 'hello' I don't know

Too many words after so many miles

Somebody whispers 'hello' I don't know

I don't know

Nescio

Questo paradiso

Nescio

Questo quadro Å bello
