(Hofstede)

Young red guards will fight the waves on yellow river  
There to face a force ten typhoon tiger mountain  
Are we playing ping pong  
I'm on your side  
You're on my side  
I'm on your side  
You're on my side  
We play or fight  
On this table  
I am able  
On this table  
You are able

To win tonight  
Are we playing ping pong  
Golden bamboos grow on our chuang mountain  
Ah the red stars on our caps the guns in our hands  
I'm on your side  
You're on my side  
I'm on your side  
You're on my side  
We play or fight
