All my days are spent  
All my cards are dealt  
Oh the desolation grows  
Every inch revealed  
As my heart is pierced  
Oh my soul is now exposed

In the ocean deep  
In the canyon's steep  
Walls of granite here I stand  
All my desperate calls  
Echo off the walls  
Back and forth  
Then back again

To believe I walk alone  
Is a lie that I've been told

So let you heart hold fast  
For this soon shall pass  
Like the high tide takes the sand

Ooh oh oh...  
Ooh oh oh...

At the bitter end  
Salt and liquid blend  
From the corner of my eyes  
All the miles wrecked  
Every broken step  
Always searching always blind

Never fear, No neaver fear  
Never fear, No neaver fear

So let you heart hold fast  
For this soon shall pass  
There's another hill ahead
