[Chorus 2X: Soul 4 Real] If you wanna live my life The world is getting more and more trife It's time to shed some light That's what I like, that's what I like  
[Raekwon] Raised fly while we in the midst of getting high Take a walk through memory lane, watching when all the pain fly Things that, happen in relationships, dealing with weapon And men be on the same bullshit Let's travel, take a walk with me, yo I'm like the whiskers that be blazing in your transister Relax, spoil me, I be on the tour shortly With enough to spread fortune out, lord, you caught me We analitical thinkers, we crow too with top rankers Big thick juicy rocks on the finger Chill, all my niggas who keep it real Throw your baseball hat down and keep paying your bills [Chorus 2X] [Raekwon] A wiseman spoke on my behalf, til then I enquired the math Rae exist with God in the half Lessons, a mouth full of food, sit back I tell a story for the blocks and the power moves Shorties claiming that they hustle for a cause, get caught In the sharp blade of a knife, but older niggas's go But some shine, that's the best part of they flaws They need cover, because we trapped inside these Winter Warz I come to ya'll as Elijah, stars on the crown symbolizes Planets for a new horizon It's all peace when you sizing, the next man enterprising Learn how to move, don't disguise it The bulk of the brick will be shown, you all alone All you think about is getting you fly, that's getting you torn The evil that maps out of my vulture, murder raps'll sculp you Hip hop selected our culture One nigga word ain't enough, let's get up and exercise The mind like a sit up, walk with your chin up Post that stormy winter, animos'll tear a friend up Principals make a nigga light dimmer [Chorus 2X] [Raekwon] It's like Babylon, my society, so wild, been a variety Which make me seek prosperity Brothers and sisters let's connect, show love and respect The youngings is watching, put 'em in check, yo Your life could change in a sec, ambitions, you bet Today your here, tomorrow, leaving out the projects Wake up, we all got morals, striving for perfection It's just a lesson to look forward to, yo [Chorus 2X]
