"5 Am"

Visit "[5 Am](#)" on MotoLyrics.com

It's 5 o'clock in the morning
And I give up on sleep
life with a conscience
and I decide to walk away

So I find my possessions
And slide from your room
Ignore all regrets
I push myself into the street

I, I, I, I don't want to talk
I've said my piece
and I'll just go now
I would love to believe and be
content to wait
with you again

At 6 o'clock in the morning
you'll awake all alone
and pause for a moment
to damn or bless me
as you wish

I, I, I, I don't want to talk
I've said my piece
and I'll just go now
I would love to believe and be
content to wait
with you again

I agree it would never be right
And I'll just go now
And I'd love to believe
and I'd be content to wait with you again, again, again

I, I, I, I don't want to talk
I've said my piece
and I'll just go now
I would love to believe and be
content to wait
with you again
