

Appleton "Blow My Mind"

Visit "[Blow My Mind](#)" on MotoLyrics.com

you're the star
in your hall of fame
now I cant explain,
how you made your name
and I know in my heart
it's not happenning. even
though you know something,
you dont know everything
can you (you) stand (stand)
tall (tall) with your head so hot
and your back against the wall?
cause I know that there's
nothing wrong with me,
absolutely nothing wrong with me
cause everything you do or say,
if something took it turn away,
I'll tell you how it's gonna be,
(it's gotta be, it's gotta be)
(it's gonna be, it's gonna be)
anything that works for me, baby
I've seen the movie,
(I've seen the movie)
your best scenes
you're nothing to convince me
I've read the story,
(I've read the story)
the ending you've already told me
I've read the lines now,
(I've read the lines now)
and somehow the script is in my memory
and I'm sorry if it hurted your pride,
cause you didnt really blow my mind
crushing me with your fancy scheme,
well if you want me,
then it's in your dreams
and if you believe,
that it's happening,
you were missing something,
there aint anything
now I (I) aint (aint) sad (sad),
that you cant stand tall,

and your back is to the wall
cause I know that there's
something wrong with you,
definitely something wrong with you
there's nothing left to do or say,
it's only getting in my way,
I'll tell you how it's gonna be,
(it's gotta be, it's gotta be)
(it's gonna be, it's gonna be)
everything that works for me,
baby, cause baby
I've seen the movie,
(I've seen the movie)
your best scenes
you're nothing to convince me
I've read the story,
(I've read the story)
the ending you've already told me
I've read the lines now,
(I've read the lines now)
and somehow the script is in my memory
and I'm sorry if it hurted your pride,
cause you really didnt blow my mind
I've seen the movie,
I've read the story, blow my
I've seen the movie,
the endings are cliches,
blow my, baby
I've seen the movie,
(I've seen the movie)
your best scenes
you're nothing to convince me
I've read the story,
(I've read the story)
the ending you've already told me
I've read the lines now,
(I've read the lines now)
and somehow the script is in my memory
and I'm sorry if it hurted your pride,
cause you really didnt blow my mind
