Dont worry cause I'll always
be there for you
(in the heavens above)
I just needed you to comfort me
and I have tried to make it right
and I dont know that I feel so sure
but I think that we missed out
so I've sung this song to you,
and I just want you to say to me
dont worry cause I'll always
be there, there for you
(in the heavens above)
dont worry cause I'll always
be there, there for you
always be there
all I wanted was to stand alone
so is there a place that we could
meet? and you see this face within
your face and I, stayed away but
I'm back to hear you say
dont worry cause I'll always
be there, there for you
(in the heavens above)
dont worry cause I'll always

be there, there for you
always be there
(in the heavens above)
(heavens above, heavens above)
can you hear me?
(can you hear me?)
through the spaces?
(through the spaces?)
wandering in this wonderland?
and if I try to understand it,
broken man, broken man
dont worry cause I'll always
be there, there for you
(there, there for you)
(in the heavens above)
dont worry cause I'll always
be there, there for you

always be there
in the heavens (dont worry)
in the heavens (dont worry)
in the heavens (for you)
dont worry, dont worry
yeah yeah yeah yeah
yeah yeah yeah yeah
dont worry, dont worry
yeah yeah yeah yeah
