I wake up in the morning
Pull the blinds and see the sunshine
And I wonder if this Monday
Will wipe the rain of yesterday
Lets go fishing down the river
Lets go fly a kite on primrose hills
Take advantage of the sunshine
There's no telling when the rain comes in
I feel good I feel fine
Kicked the flu last week now Im alright
Come and meet me on the corner
Just pick me up and we can drive
Now Im sitting feeling pretty
That's the music on the radio
Feel Im walking away with running
With my favourite song I'm humming

Da da daaaa
Da da daaaa-aah

Saw a spider in the bathtub
Then I screamed and then it ran
Cause it was just as scared as I was

Cause she always has been there for me
See at last I with a family
Thatll love me till eternity
Da da daaaa
Da da daaaa
Da da daaaa-aah
And I glad to be alive
Da da daaaa
Da da daaaa
Da da daaaa-aah
What ever it like out side
Da da daaaa
Da da daaaa
Da da daaaa-aah
Im just glad to be alive
Da da daaaa
Da da daaaa
Da da daaaa-aah
