I know it's all gone
But the crowd is dying down
Could you spend just a little more time?

Open up your mind
Your opinion does matter
It's gonna help me to unwind

Can't you see I'm waiting
Yeah, yeah, for your love?
(For your love)
Can't you see I'm waiting for your love?
Waiting for your love

When you walk on by
With your head held high
It's the wonder you've ever seen me cry

At the end of the day
With no words left to say
Just stop and say hello

(Can't you see me hiding)
From these tears of mine?
Don't pretend that you can't see me

(As far as you're concerned)
I'm doing fine
How do you get up so easily?

Can't you see I'm waiting
Yeah, yeah, for your love?
(For your love)

Can't you see I'm waiting
Yeah, yeah, for your love?
(For your love)

Can't you see I'm waiting
Yeah, yeah, for your love?
(For your love)
Waiting for it

Why is it such a problem
To recognize that I'm here?
(I'm falling slowly further)

Just give me a minute or two
It would mean so much, my dear
(My heart is slowly breakin')

I've got a question
Was it you or was it me?
(Don't pretend that you can't see me)

It seemed you not bothered
Should I move on electric beat
(How do you get up so easily?)

Can't you see I'm waiting
Yeah, yeah, for your love?
(For your love)
For your love

Can't you see I'm waiting
Yeah, yeah, for your love?
(For your love)
For your love

Can't you see I'm waiting
Yeah, yeah, for your love?
(For your love)
For your love

Can't you see I'm waiting
Yeah, yeah, for your love?
(For your love)
Waiting for it

Can't you see I'm waiting
Yeah, yeah, for your love?
(For your love)
For your love

Can't you see I'm waiting
Yeah, yeah, for your love?
(For your love)
Waiting for it
