"Bet It All On You"

It feels like you're at the bottom of an avalanche
You sit and cry 'cause he don't ever wanna dance
Give me the dice, give me half a chance with you, baby

I look for you, just hoping you'll come in tonight
With that fool, the one who never treats you right
If you only knew how bad I burn inside for you, baby

Baby, I'll do just what I have to do
I'd beg, borrow, steal, cheat and lie for you
I'll put it all on the line if you ask me to

I'll bet it all on you
(Bet it all on you)
Every dime
(I'll bet it all on you)

Every time
(I'll bet it all on you)
I'll bet it all, babe
(I'll bet it all on you)

I think it's time for me to finally show my hand
This heart of mine has taken all that it can stand
But I ain't blind, I can see you want me too, baby

Come on, let's make a run for the parking lot
Can't wait, gotta give this thing a shot
I know it's crazy but we ain't got a thing to lose

Baby, I'll do just what I have to do
I'd beg, borrow, steal, cheat and lie for you
I'll put it all on the line if you ask me to

Oh, babe, I'll bet it all on you
(Bet it all on you)
Every dime
(I'll bet it all on you)

Every time
(I'll bet it all on you)
I'll bet it all on you, babe

(I'll bet it all on you)
I'll bet it all on you, girl

Baby, I'll do just what I have to do
Beg, borrow, steal, cheat and lie for you
I'll put it all on the line if you ask me to

I'll bet it all on you
(I bet it all on you)
Every dime
(I'll bet it all on you)

Every time
(I'll bet it all on you)
I'll bet it all on you
(I'll bet it all on you)

Oh, I'll bet it all on you, babe
(I'll bet it all on you)
Every time
(I'll bet it all on you)
Every time

I'll bet it all on you
I'll bet it all on you
I'll bet it all on you
I'll bet it all on you

I'll bet it all on you
I'll bet it all on you
I'll bet it all on you
I'll bet it all on you
