One look, one kiss  
Just a few words  
Showed me such kindness

Your eyes really see me  
Not for what I've been  
But for who I am and what could be

How did you know, I was waiting?  
How did you know, you were saving me?  
Oh, what a gift to leave it all behind  
Lonely has known me for the last time

This love is forever  
It won't be taken  
For granted, not ever

How did you know, I was waiting?  
How did you know, you were saving me?  
Oh, what a gift to leave it all behind  
Lonely has known me for the last time

How did you know, I was waiting?  
How did you know, you were saving me?  
Oh, what a gift to leave it all behind  
Lonely has known me for the last time  
Lonely has known me for the last time
