Look at us baby, up all night
Tearin' our love apart
Aren't we the same two people
Who lived through years in the dark?

Every time I try to walk away
Somethin' makes me
Turn around and stay
I can't tell you why

When we get crazy
It just ain't right
(Try to keep your head on, girl)
'Cause girl, I get lonely too

You don't have to worry
Just hold on tight
(Don't get caught in your little world)
'Cause I love you

Nothin's wrong as far as I can see
We make it harder than it has to be

I can't tell you why
No baby, I can't tell you why
I can't tell you why

Every time I try to walk away
Somethin' makes me
Turn around and stay
I can't tell you why

No baby, I can't tell you why
I can't tell you why
I can't tell you why, yeah

No baby, can't tell you why
