Well, I never really knew you till you said goodbye
You said it's finally over here's the reasons why
You said you've heard enough of all those little lies
I never really knew you till you said goodbye.

Well, I thought I made you happy but you've proved me
wrong
I thought I was the one that really turned you on
When I came home tonight all my things were gone
I guess gettin' over me didn't take you long.

Well, I never really knew you till you said goodbye
You said it's finally over here's the reasons why
You said you've heard enough of all those little lies
I never really knew you till you said goodbye.

Well, I never really knew you till you said goodbye
You said it's finally over here's the reasons why
You said you've heard enough of all those little lies
I never really knew you till you said goodbye.

You said you'd heard enough of all those little lies
I never really knew you till you said goodbye.

No, I never really knew you till you said goodbye...
