You're climbing mountains, I'm on the hill
You're always running, I'm standing still
You live for the moment, no future no past
I may be a fool to love by the rules, I want it to last

If you ever have forever in mind
I'll be here and easy to find
If your heart isn't ready to lay down with mine
If you ever have forever in mind

Music has ended still you want to dance
I know that feeling, I can't take the chance
You live for the moment, no future no past
I may be a fool to love by the rules, I want it to last

If you ever have forever in mind
I'll be here and easy to find
If your heart isn't ready to lay down with mine
If you ever have forever in mind
