I've been sittin' here talkin' at you all night long
Now honey, you still come off cool
Well, you could have walked away
Instead you're leadin' me on
Lucy, who're you tryin' to fool?

Yeah, Lucy Dee
You ain't got to run that line on me
Well, it's plain to see
That you ain't all that you're made out to be

Well, you can tell all your friends
That you finally met your equal, Lucy Dee

You've known all along just what I'm talkin' about
Well, you knew someday there'd come a man
Who wouldn't keep on givin' 'til he finally gave out
Lucy, honey, here I stand

Yeah, Lucy Dee
You ain't got to run that line on me
Well, it's plain to see
That you ain't all that you're made out to be

Well, you can tell all your friends
That you finally met your equal, Lucy Dee

You tell me you've known every thrill that there is to
know
And nothin' in this life comes free, nothin'
Well, you tell me you've been every way that there is to
go
Lucy, you ain't been with me

Yeah, Lucy Dee
You ain't got to run that line on me
Well, it's plain to see
That you ain't all that you're made out to be

Well, you can tell all your friends
That you finally met your equal, Lucy Dee
Poor Lucy Dee
