O holy night  
The stars are brightly shining  
It is the night of our dear saviours birth  
Long lay the world in sind and error pining  
Till he appeared and the soul felt it worth  
A thrill of hope the weary soul rejoices  
For younder breaks a new and glorious morn  
Fall on your knees  
Oh hear the angles voices  
O night divine, oh night when Christ was born  
O night, O holy night, O night divine  
O night divine, O night, O nihgt divine
