I wanna hear an old time fiddle
And play an old time fiddle song
I might even drink just a little
If you play 'Little Jolie Blon'

And if you're lookin' me, I'm liable to be
In the middle of the ol' dance floor
I wanna hear an old time fiddle
Like you never get to hear anymore

I wanna throw down on a hoe down
Hanging with the people I know
Hear the sweet sound of a breakdown
When you put a little rosin' on the bow

Y'all come on over when the sun goes down
Bang on the ol' screen door
I wanna hear an old time fiddle
Like you never get to hear anymore

I miss ol' Herman Stover
Playin' 'Listen To The Mockingbird'
It was Piedmont, Oklahoma
It was the sweetest sound I ever heard

Skinny ol' man in a cowboy band
You could barely get the people in the door
I wanna hear an old time fiddle
Like you never get to hear anymore

I wanna throw down on a hoe down
Hanging with the people I know
Hear the sweet sound of a breakdown
When you put a little rosin on the bow

Play diggy diggy li, diggy diggy lo
Then a little cotton-eyed Joe
I wanna hear an old time fiddle
Like you never get to hear anymore

I wanna throw down on a hoe down
Hanging with the people I know

Hear the sweet sound of a breakdown
When you put a little rosin on the bow

Y'all come on over when the sun goes down
Bang on the ol' screen door
I wanna hear an old time fiddle
Like you never get to hear anymore

Y'all come on over when the sun goes down
Bang on the ol' screen door
I wanna hear an old time fiddle
Like you never get to hear anymore
