It ain't about you  
It ain't about me  
It's about this love we found  
That has to be.

'Cause I never questioned  
That look in your eyes  
And you never doubted  
How I felt inside.

We found passion and grace  
In each other's face  
And our hearts  
Will now beat as one.

For we both know a place  
Where our souls have embraced  
I think it's what  
They all call love.

This gift you've given humbles me  
True companions we'll always be  
For so long we've waited to feel what we feel  
We've finally tasted something that's real.

We found passion and grace  
In each other's face  
And our hearts  
Will now beat as one.

--- Instrumental ---

We found passion and grace  
In each other's face  
And our hearts  
Will now beat as one.

Oh, I think it's what  
They all call love...
