Ponyo, Ponyo, Ponyo, Ponyo
One, two, one, two, three, four!

Ponyo, Ponyo, Ponyo, tiny little fish
She's a little fish from the deep blue sea
Ponyo, Ponyo, Ponyo, she's a little girl
She's a little girl with a round tummy

Uh huh, favorite little fishy
Sing along, let's go
Sing P-O-N-Y-O
You can clap your hands, clap your fins
Everybody, this is where the magic happens

And when I'm skipping with her
My heart feels a difference
Munch and munch, kiss and hug
Munch and munch, kiss and hug

Oh, he is my favorite little boy
Rosy, rosy, red, red!

Ponyo, Ponyo, Ponyo, tiny little fish
She's a little fish from the deep blue sea
Ponyo, Ponyo, Ponyo, she's a little girl
She's a little girl with a round tummy

Ponyo, Ponyo, Ponyo
One, two, one, two, three!

I love you bunches and bunches
I give you lots of X and O's
Feel it in your fingers
All the way down to your toes

Everybody, one, two, three
Come along and dance me
One, two, three, make a wish
Sing along with your favorite fish

And when I'm skipping with her

My heart feels a difference
Munch and munch, kiss and hug
Munch and munch, kiss and hug

Oh, he is my favorite little boy
Rosy, rosy, red, red!

Ponyo, Ponyo, Ponyo, tiny little fish
She's a little fish from the deep blue sea
Ponyo, Ponyo, Ponyo, she's a little girl
She's a little girl with a round tummy

Ponyo, Ponyo, Ponyo
And when I'm skipping with her
My heart feels a difference
Munch and munch, kiss and hug
Munch and munch, kiss and hug

Oh, he is my favorite little boy
Rosy, rosy, red, red!

Ponyo, Ponyo, Ponyo, tiny little fish
She's a little fish from the deep blue sea
Ponyo, Ponyo, Ponyo, she's a little girl
She's a little girl with a round tummy

Ponyo, Ponyo, Ponyo, tiny little fish
Came to the house on the cliff by the sea
Ponyo, Ponyo, Ponyo, she's a little girl
She's a happy girl with a round tummy
She's a little girl with a round tummy
