[Chorus]

We used to love (we used to love)
We used to kiss (we used to kiss)
We used to kiss, you used to miss me all the time
We used to dance (we used to dance)
And make romance (and make romance)
And I would hold you in my arms and you were mine
But it's all over now and anyway, you ain't worth the
time

You broke my heart (you broke my heart)
You told me lies (you told me lies)
You broke my heart, you told me lies and made me cry
You ran around (you ran around)
All over town (all over town)
You ran around all over town with other guys
But it's all over now and anyway, you ain't worth the
time

Well, I wish things were the way they used to be
When everything was fine between you and me
But all this moaning, nothing but old news
Gonna find me a girl and then I'll lose my blues
But girl, I got you on my mind
And I'm thinking 'bout you all the time
And no matter what I say and do
Well, I'll never-never-never find a girl like you

[Chorus]

But girl, I got you on my mind
And I'm thinking 'bout you all the time
And no matter what I say and do
Well, I'll never-never-never find a girl like you

[Chorus]

But it's all over now and anyway, you ain't worth the
time
But it's all over now and anyway, you ain't worth the
time

But it's all over now and anyway, you ain't worth the
time
