Annabelle Annabelle, let me hear you sing
Annabelle Annabelle, why you sweet young thing
You got big wide eyes and a real gone smile
Don'cha know baby that you drive me wild oowee
Well I got a little lady, she's a real gone baby
She rocks the bop and my heart goes crazy
Since I met her my whole world's upside down
When I'm tired she wants to stay up late
Drinkin' and a-dancin' and a-playin' her games
I love you honey but you treat me like a clown

Annabelle Annabelle, let me hear you sing
Annabelle Annabelle, why you sweet young thing
You got big wide eyes and a real gone smile
Don'cha know baby that you drive me wild oowee

Well she saw me last evenin', she got me steamin'
Ninety miles an hour's a-rockin' and a-reelin'
She bust my crown and she flied on to my head
Now every night it happens more and more
Runnin' me in circles and she passed out on the floor
Except I wasn't hailed as I carried her to her bed

Annabelle Annabelle, let me hear you sing
Annabelle Annabelle, why you sweet young thing
You got big wide eyes and a real gone smile
Don'cha know baby that you drive me wild oowee
Wella lawdy Miss Fannie what am I gonna do with you
For I know I'm never really gonna find me a love so true
You see Annabelle earls only one you know
Cute as a button with a heart of gold
Daddy's little girl and she got me in a whirl

Wella lawdy Miss Fannie what am I gonna do with you
For I know I'm never really gonna find me a love so true
You see Annabelle earls only one you know
Cute as a button with a heart of gold
Daddy's little girl and she got me in a whirl

Annabelle Annabelle, let me hear you sing
Annabelle Annabelle, why you sweet young thing

You got big wide eyes and a real gone smile
Don'cha know baby that you drive me wild oowee
Wella don'cha know baby that you drive me wild oowee
Wella don'cha know baby that you drive me wild oowee
