She's as blonde as a desert

That melts me away

Let's me drown in the flood

While she stands in the rain

And her mouth is the army

That conquers my soul

And when she cracks a smile

She puts me out of control

She's the sign

That leads me off track

And her hand is the ice

That's running down my back

She makes you turn your head

When she comes 'round

And when she fixes you

It's like the sky comes falling down

Oh, I'm drowning in your eyes

Oh, I'm drowning in your eyes

So could you leave me alone

I don't know what to do

Well I'm out of my head

If I'd stay with you  
'Cause I'm drowning  
Yes, I'm drowning  
Yes, I'm drowning in your eyes  
Her lips whisper like a gunman  
In the backseat of my car  
Says things that once were sacred,  
Don't mean nothing at all  
And her room is the jail  
For my brightest fantasy  
And her voice is like a phone call  
Of a bitter enemy  
When you feel high  
She's gonna pull you down  
And if Satan is the king  
Then she is the crown  
And when it's much too late to realize  
She's the chance passed by  
Before you even start to try  
Oh, I'm drowning
