Yesterday is over tomorrow has begun

Check my look into the mirror

Reality is like dust and steam

Hold my head under the shower

And a voice is talking to me

Like a dream like a dream

And my mind is banging

Like a beat of a drum

Afraid that every step I'm taking

Could be wrong

And my mind is running

Like the barrel of a gun

I'm bad surprised

When all I hear and see is

Lies

Lies

I'm bad surprised

I'm bad disguised

When all I hear and see is lies < BR>Lies

Someday I'll learn to fight again

It's time to spit all my lies spit all my lies

Spit all my lies into the drain  
Back in the day I slowly go insane  
I run on the streets  
Like a stranded train  
I got no one to talk to  
Got nowhere to run  
But yesterday is over  
And tomorrow must come
