I realize that everywhere I go people think it's a fashion
show
A party they see a cool place to be to show off their
masculinity
I must make sure that I look my best wear my clothes to
show off my chest
then the others will finally see what a cool person I
must be
gonna get myself real high
gonna find me a real rad guy
I'll get at least three chicks tonight
then I'll look cool when I win this fight
what a fun time they must have
claiming generation X
well if you ask me I don't know
it all looks like a fashion show
