Leaving with no grievings
With only what's in my head
Changing the world around me
The world that I've long been fed
I've taken all that I can
I turn my back
It's haunting me

CHORUS

The past is torn away
I'll live another day
To shed this hell
And fight my way out
Trading all that I have
All that I have inside
Taking nothing with me
Nothing more than my pride
I'm breaking away
From where I've been
I've taken all that I can
I can't go back
It's haunting me

CHORUS

Nothing left for me
Gave up everything
Just to kill the pain
Will it follow me
What I need to find
Is some peace of mind
I must fight my out
Of this Fucking hell

CHORUS

There's nothing left for me
Gave up everything
Just to kill the pain
Shed this hell away
