All around me are familiar faces  
Warn up places, warn up faces  
Black and early for the daily races  
Going nowhere, going nowhere!  
And the days I'm feeling..  
No expression, no expression.  
Hide my head I wanna drown my sorrow  
No tomorrow, no tomorrow!

You've been waiting for the day that feels good,  
Happy birthday, happy birthday!  
..sweet and listen, sweet and listen!  
Went to school and I was very nervous,  
No one knew me, no one knew me  
And the teacher told me what's my lesson  
No cry for me, no cry for me!

And the funny kinda' funny  
A funny kind of sad,  
The drinks in which I'm dying,  
All the best I ever had  
I find it hard to tell you, I find it hard to take  
When the people run in circles,  
Is the very, very end (x2)

Mad, world!  
Mad world!  
Mad world!  
Mad, world!
